Rice City Council
Work Session
Monday October 7th, 2019 – 6:00 PM

Work Session opened at 6:08 pm. Present were Brian Skroch, Bryan Anderson, Chris Scheel, Paula Kampa, Emily Walters, Sherri Johnson, City Treasurer and Julie Fandel City Clerk.

Johnson stated the first page is just a summary and she wanted to start with the want list. Scott would like to see the IT items broke out into a different number so that when we want to see the IT costs is one number. Johnson explained how they pulled out the information and it will now be under 300. Council discussed different scenarios and started item by item of the want list. Johnson made different suggestions on items that should be kept on and what could come off. Laptops for the council were removed, Kampa asked if the rest of the council would have any concerns about her using a laptop? Consensus of the council was that Kampa can use a laptop but the rest of them would still like the paper copy at this time. They also agreed that they would pick up the packets moving forward. Next meeting will be November 4th at 6:00pm. Work session closed 6:50 pm.
